

Release for Letter of Recommendation

Instructions for Faculty: School officials may use this form when a student requests them to write a letter of recommendation. A signed release from a student is necessary to obtain written consent from the student. Student consent should include: (1) the data to be disclosed, (2) to whom the data will be disclosed, and (3) the student's signature and date.

Nondirectory information should not be included in a letter of recommendation without the student's written consent. Examples of nondirectory information include: birth date, religion, citizenship, disciplinary status, ethnicity, gender, GPA, marital status, UFID or social security number, grades/exam scores and standardized test scores.

If a letter of recommendation contains nondirectory information:

- A written release is recommended for recommendations sent to other educational institutions in which the student seeks to enroll, including professional school admission services.
A written release is required for general letters of recommendation sent to an employer or an individual.

Instructions for Students: Complete, sign and return to the faculty member.
