

How does your membership in the Academy of Alumni and Friends make an impact?

Think back to your time at the University of Florida's College of Dentistry. Can you remember cramming for exams and working late? Do you still remember how it felt to wear your white coat for the first time? Or how nervous you were before treating your first patient? Those memories may never fade, no matter how many years have passed since graduation.

Each year another group of Gator Dentists emerge ready to make their mark on the industry or focused on specializing in a specific area of dentistry. You may keep in touch with classmates or run into fellow Gator graduates at top state and national conferences, but the student experience is once-in-a-lifetime.

You can help shape the experience for students like us by making a gift that supports scholarships, ceremonies and other events. All UF College of Dentistry alumni and friends of the college are part of the Academy of Alumni and Friends. By giving to the AAF fund, your gift can contribute toward items crucial to the student experience:

- AAF Scholarships - \$5,000
- Wellness program - \$5,000
- Senior Banquet - \$3,000
- Senior Gifts - \$2,000
- AAF Senior Award - \$1,000
- Freshman Orientation - \$500
- Family Day - \$500
- 25 hours of tutoring: \$250
- White Coat - \$50

Please consider the memories that stand out from your time as a student, and ensure that we can share in those memories. **Thank you for the important role you continue to play in our futures and for all dentists who graduate from the University of Florida. We appreciate your continued support!**

Academy of Alumni and Friends Fund (#011179) Sponsorship Form

I would like to support the College of Dentistry with a:

Monthly recurring gift of: \$250 \$500 \$1,000 Other \$_____ (Min. \$10)
