2014 UF College of Dentistry Staff Retreat

To: UF College of Dentistry Staff,

Last week, while the DMD students were on spring break, the college's staff enjoyed a special retreat designed to bring some focus to accreditation, the strategic plan, and some other items of importance to the college.

The "All In" retreat was a great success. We had about 70 percent of the Gainesville-area staff in attendance (plus Patrick Rose from Hialeah and Darla Chaisson from St. Pete). Although it was cold and dreary outside, inside the UF Straughn Center there was a lot of warmth and smiles.

Too often we don't get a chance to interact with coworkers outside our normal "silo" within the college. So in addition to learning about some important changes and plans, the attendees had time to get to know each other a little better -- which is always a bonus.

I want to thank the members of the Special Events Planners who arranged this great day. Michelle Watson leads the group that includes Rebekah Bush, Karen Rhodenizer, Kristy Spear, Amanda Sullivan, Denise Webb and Terry Weber.

Sincerely,

Boyd Robinson, D.D.S., M.Ed.
