

CURRICULUM COMMITTEE
September 2, 2004 at 5:15 in D4-16
Agenda

- I. Approval of August 5, 2004 minutes (handout)

- II. Action Items:
 - 1. Vote on Oral Surgery electives again with quorum present
 - 2. Discussion of Informational Items
 - 3. Curriculum Committee Charge and assignment of workgroups, Drs. Primosch and Dr. Clark
Proposed Workgroups:
Review of Year 1 & 2 Curriculum: consider small group learning (PBL/grand rounds) opportunities and the incorporation of early clinical experiences that would incorporate the view of the student as clinician and patient (completing a medical history, reviewing a medical history, immunizations, HIPAA, infection control, oral exam, radiographs, prevention)
Review of Year 3 & 4: consider general practice opportunities

- III. Informational Items: (Distributed at July and August meeting)
 - Curriculum Committee Annual Report
 - SACS Annual Report
 - 2004 Student Self-Assessment of Competency
 - 2004 Senior TEAM Evaluation Summary
 - Semester 5 Debriefing
 - 2004 Exit Interview Summary

- V. Next meeting: Thursday, October 7, 2004 at 5:15 p.m.
