Agenda	Information/Notes/Action Items
--------	--------------------------------

Present:

Absent:

Call to Order	Call meeting to order. October 16 th minutes sent via email.
Student Tech Volunteers	Instructional Support is looking for student technology volunteers from each class to assist faculty with basic classroom technology issues (projector, microphone, etc.). These students will receive training from and work with Marc Turchin. SAC student members should recruit volunteers from their respective classes. An email will be sent to the student members with more details.
