<b>Campus Outreach – Student Proposal</b>	<b>Dr. Shannon Wallet &amp; S/D Siri Seebunpang</b> - proposal to increase the visibility of the University of Florida College of Dentistry as a treatment center through on-campus outreach.
<b>Old Business</b>	<p><b><u>Axium</u></b> Matt Novak reported an inability to change the Axium defaults on the clinic computers to verify open chairs in other clinics. Due to the Axium upgrade in December, Dr. Dasilva was unable to get definitive answers regarding this concern. Now that the upgrade is complete, Dr. Dasilva will follow up with Cara Boring and report back to the committee.</p> <p><b><u>Clinics &amp; Sim Lab</u></b> Drs. Dasilva and Adewumi met with Dr. Carol Stewart and Richelle Janiec on October 21<sup>st</sup> to discuss clinical and sim lab cleanliness concerns brought to the SAC. The consensus of the meeting was to schedule “deep cleanings” of the sim lab and student clinics around student break weeks. Continuing Education courses and student practice sessions will be taken into consideration before scheduling these cleanings. Both Dr. Stewart and Richelle emphasized that any clinical/sim lab issues or concerns should be brought to the Clinical Affairs and Quality Assurance student reps. In recent months, the students on that committee have had very little to report.</p> <ul style="list-style-type: none"><li>• <b>2016</b> – Zach Jin</li><li>• <b>2017</b> – Tyler Wahl</li><li>• <b>2018</b> – Brad Sleeth</li></ul> <p><b><u>Dental Student Study Space</u></b> The dental student study space proposal with Dean Garcia has been rescheduled to Monday, March 7, 2016.</p>
