## Why student evaluation feedback is important– Enhance student learning

- ▶ The faculty members of the College of Dentistry continually seek to improve the quality of its instructional program to enhance student learning.
- ▶ The College evaluates instruction through faculty evaluations, course evaluations and student debriefings as part of their Curriculum Management Plan.
- ▶ Students are expected to evaluate courses and faculty each semester. Completion of these evaluations are voluntary, however as part of your professional commitment to the program we strongly encourage you to participate. *Why.....*

# Why student evaluation feedback is important—Accreditation and Promotion

*Many student's think that no one really looks at this information:*

- ▶ One of the measures for faculty promotion and/tenure include student evaluation of instruction. This information is reviewed by faculty, Department Chairs, the Promotion and Tenure Committee and the UF Academic Review Board.
- ▶ The Commission on Dental Accreditation requires that each dental education program maintain a curriculum management plan. Every seven years an extensive site visit and document review are conducted for the college to maintain an accredited status.
