

		Dr. Primosch indicated self-assessment for the simulations is completed on paper. AxiUm is currently not set up properly. Patient competencies currently do not have any official self-assessments.	Dr. Primosch noted the self-assessment patient competencies needed updating so all faculty know to view them.  Dr. Sposetti asked if the data from the Pediatric Dentistry departmental meetings could be shared with the committee.	
<b>New Business – Department Presentations</b>	UF Online  Corsera	Dr. Sposetti informed the committee UF will start enrolling online only bachelor students in August 2014. She pointed out Biology and a few of the other majors are a large part of the dental student applicant pool.  Dr. Sposetti displayed the Corsera website and asked committee members to review the course offerings.	Dr. Sposetti asked if the committee members could take a look at the UF Online and Corsera websites.
