| Minutes | Approval of Minutes | December 19, 2013 minutes. | Sent to committee for electronic review | |
| Student Recommendations | | None were presented. | | |
| Department Presentations | Orthodontics | <p>(See Linked Handout)</p> <p>Dr. Dolce reported that the Department of Orthodontics offers discounted fees for students. Approximately 1/3-1/2 half of the students receive additional orthodontic exposure as patients.</p> <p>There was some general discussion of possibilities of incorporating additional technologies and online options.</p> | <p>The committee asked Dr. Neubert to incorporate the use of a rubric in DEN 7819L to provide student feedback in seminars and to review current exam cases (for difficulty level and to maintain exam security) as there is little to no range of discrimination in student outcome measures on the 3 graded exams.</p> <p>The Department was also asked to track failure of competency on first attempts for program evaluation and reporting purposes.</p> <p>Dr. Dolce/Dr. Neubert will contact the Office of Education to discuss these ideas.</p> <p>Dr. Rey will inform the TEAM leaders that the Department of Orthodontics provides patient consults.</p> | |
