Student Recommendations	None			
Curriculum Management	Spring 2015 Course Evaluation Summary DEN5221, Oral Health Management and Psychosocial Issues over the Lifespan, Debriefing Summary Instructional Design Workshop		Deferred Deferred Deferred	
Old Business	Mediasite lecture capture release approval from FAB Draft 2014-2015 Curriculum Committee Annual Report Re-review of proposal to expand to 3 weeks	G. Childs informed the committee that FAB supported the Curriculum Committee's approval of same day release of Mediasite lectures. The FAB requested Marc Turchin present how to edit videos at the September 2015 Faculty Assembly. G. Childs reviewed revisions to the draft 2014-15 Curriculum Committee Annual Report. Grammatical changes were noted. While the Curriculum Committee approved the expansion of 3 weeks of community-based rotations with the Class of 2016 in	Information item The Final 2014-2015 Curriculum Committee Annual Report will be resent to the Committee and then to the Faculty Advisory Board.	

	of community rotations in Semesters 10 and 11.	<p>semesters 10 & 11 after the June meeting, Dr. Stewart asked the Committee to defer this until next year. The reasons for deferred implantation included feedback from the Class of 2016, a request from TEAM leaders to further design a shared 3DN and 4DN patient care process and identification of other chairs within the college. Dr. Stewart is to meet with the Dean next week to discuss faculty coverage for these additional chairs.</p> <p>Additionally, to strategically review and balance expanded rotations with clinical TEAM expectations, the committee supports the formation of a workgroup to thoughtfully review all extramural and intramural student clinical expectations.</p> <p>Recognizing this is a time sensitive issue for the Class of 2016, the committee recommended it would be appropriate to informally let their classes know that a student friendly solution has been proposed and an official communicator would be sent by the committee mid-to late next week.</p>	<p>Motion: The committee supports the proposal in concept and will await the Dean's support before communicating this information to the 2DN, 3DN and 4DN classes. Approved.</p> <p>Motion: The committee supports the forming of a workgroup who will thoughtfully review student clinical expectations. (The committee will consist of Dilbone, Echeto, Howard, U. Nair, Aukhil, Gibbs, Sposetti, Stewart, Childs, Abare, Wallet, Isaacs, Steinberg, Patel and Scott. (Wallet/Stewart) Approved.</p> <p>Motion: An official communication will be sent to students, after Dr. Stewart meets with the Dean. (Childs/Isaacs) Approved.</p>	
New Business	Elect a Chair and Vice-Chair	The committee elected Dr. Gibbs as a candidate for the Curriculum Committee Chair and Dr. U. Nair for Vice Chair. The voting will be completed electronically.	G. Childs will email the committee for additional nominations and/or votes. These will be reported at the next meeting.
