Agenda	Item	Presenter/Discussion	Action/Motion	Timeline
Minutes	Approval of Minutes	July 17, 2014 Minutes	Motion: Approved July 17, 2014: (Approved)	
Student Recommendations		None were submitted		
Urgent Business	UFCD Competencies for the New Dental Graduate Revisions	<p>The competency workgroup has been meeting to review faculty feedback from the accreditation retreat in April and more recently recommendations from our mock site reviewers. The workgroup discussed two phases of revision to the 20 UFCD Competencies for the New Dental Graduate. The committee reviewed the first phase of recommendations on a track change version document (see handouts.) The purpose of the current revisions is to better align our current 20 UFCD Competency Statements with our self-study materials and in preparation for our CODA site visit in February 2015.</p> <p>The workgroup recognizes that more extensive revision of the competency statements are needed and they will be presented to the committee in March 2015.</p> <p>The committee discussed the changes and made some minor editorial changes to the proposed document.</p>	Motion: Approve the UFCD Competencies for the New Dental Graduate revisions as edited. (Approved.)	
Old Business	Semester 4 Syllabi Evaluations	<p>The committee reviewed 6015, 6251, 6302C</p> <p>The committee used a new format which engaged the faculty and students by focusing on the summary syllabi review comments. The committee discussed the impact of Axium training on the treatment planning course. Due to time</p>

New Business	Review and Approve Revisions to UFCDC Competencies for the New Dental Graduate.	Dr. Sposetti reported the recommendations from the mock site visit and the accreditation retreat (see handout) Changes to the competencies document were: -Remove the non-independent skills competencies -Remove from independent skills the adolescent, geriatric and special needs patient categories and keep child and adult. -Added interprofessional care to competency 8 -Added appropriate referral to Domain III -Added treatment risk and prognosis to competency 9 - Added managing pain and anxiety to Domain IV. Dr. Harrison reported from the accreditation retreat the number of competencies will change, to include CODA and simplify the language.	Motion: Remove from competency 3 "with patients from diverse populations." (Approved) Motion: Remove in competency 10 the semicolon, and change to ", and for all other patients across the lifespan to determine..." (Approved) Motion: Approve of the document with the edits (Approved) .
