The University of Florida College of Dentistry is seeking applications for a full-time clinical track faculty position in the Department of Restorative Dental Sciences, Division of Operative Dentistry at the Assistant/Associate Professor rank. The University of Florida College of Dentistry (UFCD) is one of the leading dental schools in the United States devoted to improving and promoting oral health throughout Florida, the nation and worldwide through excellence in teaching, research, patient care and service.

Responsibilities include didactic, preclinical and clinical instruction in operative dentistry, participation in intramural private practice, excellence in academic pursuits and service, and some limited participation in the development of departmental research and/or other scholarly activities. Applicant should be comfortable in providing clinical coverage in all aspects of general dentistry. Minimum requirements include a DDS, DMD, or equivalent dental degree. Preferred qualifications include: post-graduate training, teaching experience, and/or private practice experience. Salary and rank are commensurate with credentials and experience.

The University of Florida, a member of the AAU, is the largest and most comprehensive public university in the state of Florida, with large undergraduate, graduate, and postgraduate educational programs. The UF Health Science Center and its six colleges (Dentistry, Medicine, Nursing, Pharmacy, Public Health and Health Professions, Veterinary Medicine) are co-located on the Gainesville campus, with additional teaching, research, and patient care sites across Florida, and internationally.

The University of Florida is an Equal Opportunity Employer dedicated to building a broadly diverse and inclusive faculty and staff. The University of Florida invites all qualified applicants to apply. The University of Florida is a public institution and subject to all requirements under Florida Sunshine and Public Records laws.

Initial review of applications will begin immediately and will continue until an applicant pool is identified. To apply, please go to http://jobs.ufl.edu/ and search for job number 497642. Applicants should attach a curriculum vitae, a cover letter describing their interest containing a statement of academic objectives, and a contact list of three references with their application for consideration.
