

There are two special awards presented within the

SUPERIOR 2018

ACCOMPLISHMENT AWARDS

The University not only recognizes faculty and staff who have done extraordinary work from August to July, but we also celebrate two other important University initiatives at this time....

The Diversity and Inclusion Award

A person nominated for this award has:

- Fostered participation by diverse faculty, students and staff
- Created a climate of inclusion on campus and/or the community
- Promoted diversity to enhance education, research or other work

AND

The Community Service Award

A person nominated for this award has:

- Shown significant and sustained community service
- Served as an inspiration to others through persistence
- Provide assistance to a local community or University project that has had a positive impact.

For more information about the Superior Accomplishment Awards, go to the website:
