The University of Florida College of Dentistry (UFCD) is recruiting a full-time, clinical track faculty position in the Department of Orthodontics at the Assistant/Associate Professor rank. UFCD is one of the leading dental schools in the United States devoted to improving and promoting oral health throughout Florida, the nation and worldwide through excellence in teaching, research, patient care and service.

Responsibilities will include clinical and didactic teaching of predoctoral (DMD) students and orthodontics residents, participation in research/scholarly activity and intramural clinical practice. Minimum requirements include a DDS, DMD, or equivalent dental degree and completion of advanced training program in orthodontics, preferably from a CODA accredited advanced training program. Preference will be given to board certified or board eligible candidates. Previous teaching experience and involvement in research/scholarly activities is also preferred. Salary and rank are commensurate with credentials and experience.

The University of Florida, a member of the AAU, is the largest and most comprehensive public university in the state of Florida, with large undergraduate, graduate, and postgraduate educational programs. The UF Health Science Center and its six colleges (Dentistry, Medicine, Nursing, Pharmacy, Public Health and Health Professions, Veterinary Medicine) are co-located on the Gainesville campus, with additional teaching, research, and patient care sites across Florida, and internationally.

The University of Florida is an Equal Opportunity Institution dedicated to building a culturally diverse and inclusive faculty and staff. The selection process will be conducted in accordance with the provisions of Florida’s “Government in the Sunshine” and Public Records Laws. Search committee meetings and interviews will be open to the public, and all applications, resumes, and other documents related to the search will be available for public inspection.

Initial review of applications will begin immediately and will continue until an application pool is identified and the position is filled. To apply, please go to https://jobs.ufl.edu and search for requisition 507502. Applicants should attach curriculum vitae including a teaching and/or research statement, along with a cover letter describing their interest in the position, and a list of three references with their application for consideration.
