The University of Florida College of Dentistry (UFCD) is recruiting a full-time, non-tenure accruing Clinical Assistant/Associate Professor in the Department of Periodontology. The University of Florida College of Dentistry (UFCD) is one of the leading dental schools in the United States devoted to improving and promoting oral health throughout Florida, the nation and worldwide through excellence in teaching, research, patient care and service.

Responsibilities for this position will center on pre-doctoral and graduate level didactic, pre-clinical and clinical instruction, participation in intramural faculty practice, and include opportunities for research collaboration. The position’s requirements include: a DDS, DMD or equivalent degree, advanced training in Periodontology specialty from a CODA-accredited postgraduate Periodontology program, and American Board of Periodontology board eligibility. Preferred qualifications include: eligible for licensure in the State of Florida, conscious sedation certification, training and experience in oral implantology, advanced surgical techniques, clinical research and previous teaching experience.

The University of Florida, a member of the AAU, is the largest and most comprehensive public university in the state of Florida, with large undergraduate, graduate, and postgraduate educational programs. The UF Health Science Center and its six colleges (Dentistry, Medicine, Nursing, Pharmacy, Public Health and Health Professions, Veterinary Medicine) are co-located on the Gainesville campus, with additional teaching, research, and patient care sites across Florida, and internationally.

The University of Florida is an Equal Opportunity Employer dedicated to building a broadly diverse and inclusive faculty and staff. The University of Florida invites all qualified applicants to apply. The University of Florida is a public institution and subject to all requirements under Florida Sunshine and Public Records laws.

Initial review of applications will begin immediately and will continue until an application pool is identified. To apply, please go to https://jobs.ufl.edu and search for requisition number 507818. Applicants should attach curriculum vitae, a cover letter describing their interest in the position, and a list of three references with their application for consideration.
