<b>New Business</b>	<p>Vice Chair election</p> <p>UF Compass</p> <p>Notice of INBDE Implementation and NBDE Discontinuation</p>	<p>Dr. Micaela Gibbs was elected Vice Chair.</p> <p>New UF registrar and state reporting systems now require UFCD to grade all courses each semester.</p> <p>The INBDE will be available for administration beginning on August 1, 2020. Concomitantly, the NBDE Part I will be discontinued as of the day prior (July 31, 2020). The NBDE Part II will be discontinued two years later, on August 1, 2022. No further administrations of the NBDE will be provided after the aforementioned dates.</p>	<p>The Shared Governance webpage will be updated to reflect Dr. Alex Delgado as Chair and Dr. Micaela Gibbs as Vice Chair.</p> <p>Course Directors are being notified of this change. S/U will be graded each semester as S/U. Graded courses must have designated assignments/exams to be graded each semester.</p> <p>The DMD Class of 2022 entering this fall will be the last class to take the NBDE Part I and II.</p>
<b>Prosthodontic Competency Assessment</b>	UFCD Competencies 18 , 19 Assessments	Dr. Echeto reviewed the student clinical expectation changes made by the Division of Prosthodontics this year. Regarding student competency assessment, she felt the previous laboratory implant and 3 unit bridge assessments were better formative rather than summative assessments. Based on recent implant reports from Dr. Arthur Nimmo our clinical program has not reached the threshold where all students are	<p>The committee supports meaningful and achievable competency assessments with our patient population and within our resources with the following recommendations:</p> <ul style="list-style-type: none"> <li>➤ Work with IT to make the laboratory communication prescription (with critical</li> </ul>

Alternatively consider an additional 3-unit psychomotor prep and provisional aligned with the DEN8960L benchtop exam. (This is the current standard of clinical competency for licensure in Florida.)</li> <li>➤ Develop a school definition of what procedures constitute restoration of teeth and replacement of teeth.</li> <li>➤ Design the completed cases prosthodontic competency assessment as a two-part experience: 1). one portion would include the clinical performance and the other portion, 2) a written OSCE where students analyze cases and make independent decisions to certify competency assessment.</li> </ul> <p>The Division of Prosthodontics will continue to develop a process for certification of competency in communicating and managing dental laboratory procedures in support of patient care and replacement of teeth including fixed, removable <b>and</b> dental implant prosthodontic therapies. The assessment process must be standardized and completed independently by all students' regardless patient pool. Explicit documentation of faculty calibration and verifying faculty reliability of scoring will be expected at the next site visit.</p>
<p><b>Proposals</b></p>	<p>Request to increase DEN7762L: Clinical Radiology 1: Radiographic Technique and Interpretation 1 from 1 credit to 2 credit hours</p>	<p>Students rotate through clinical radiology in semesters 6, 7, 8 and 9. To comply with the new university requirement to grade courses each semester, this would allow the students to receive .5 credit hours each semester.</p>	<p><b>Motion:</b> Approve the credit hour increase in DEN7762L from 1 credit to 2 credits. (Gonzalez/Luaces) <b>Approved.</b></p>

	<p>Timeline for Curriculum Committee Proposals</p> <p>Request for a new 4 hour Interprofessional Education (IP) case in DEN 7012: Interdisciplinary Service Learning 3</p>	<p>Based on feedback from Departments, G. Childs presented a summary of actions requiring Curriculum Committee approval and a timeline that requests be received one month in advance.</p> <p>Dr. Sposetti provided an overview of a new IPE case developed through Dr. Amy Blue's office. The case involves a patient seeking pain medication from several health providers. Students will receive screening, brief intervention and referral to treatment (SBIRT) training and then work on the IP case together. This proposal supports foundation knowledge in UFCDC Competency 21: Provide oral health care within the scope of general dentistry to include local anesthesia and pain and anxiety control, <b>including consideration of the impact of prescribing practices and substance use disorder.</b> The date for the case across the HSC Colleges is Monday, October 8 from 1:00-5:00 pm.</p>	<p><b>Motion:</b> Approve the Curriculum Committee timeline proposal. (Gonzalez/Caudle) <b>Approved.</b></p> <p>The Office of Education will post this timeline on the Shared Governance webpage.</p> <p><b>Motion:</b> Approve the 4 hour IPE case in DEN 7012: Interdisciplinary Service Learning 3 beginning this October and ongoing.
