

Call to Order

A meeting of the [Student Affairs Committee](#) was held in [D4-16](#) on [September 27, 2018](#)

New Business

- 1) Welcome new members: Dr. B. Papp, Dr. A. Delgado, RJ Gonzalez, J. Blackburn
 - 2) Elect New Vice Chair. Eligible faculty: Dr. B. Papp, Dr. A. Delgado, Dr. A. Ribeiro
 - 3) Megan Guerra, Class of 2021
- Concerns with scheduling exams the Monday that we get back from breaks - it may be too late to change for this semester, but maybe it can be something we can look at for future semesters.
 - Issues with the scheduling of community rotations, as they were scheduled on top of other mandatory classes that we may have quizzes in. I think our class President and VP are working on the conflicts for this semester but I would like to work on a solution for next semester so we don't get in this predicament again.
 - Faculty evaluations are conducted. Unfortunately, it seems like a lot of the class doesn't do them until our grades are held from us; at which point, many people just submit blank evaluations just to get their grades. I think there could be a better way to do this!
- 4) **Committee Meeting Frequency**
