New business

Welcome new D1 representative; Drew Anderson

Class Concerns

Brian Smallwood, c/o 2022

- Recycling butcher paper from Sim Lab

Megan Guerra, c/o 2021

- Issues with new clinic rules that only allow us to assist our associates
- Operative RVU requirement does not seem achievable based on this new rule
- Clarification on Class 5 competency lesion selection
- Personal days - half vs full day off
- Radiology - 1/2 day rotations vs 1 week rotation

Onni Franco c/o 2020

- X-rays for potential board patients upstairs in the clinics?
- When are the treatment coordinators going to be able to schedule people for board screening?
Some have asked several of the coordinators and they said they have been told to not schedule anyone yet.
