Department of Oral and Maxillofacial Diagnostic Sciences
Division of Oral and Maxillofacial Radiology
Clinical Assistant Professor
Position # 00010787

The University of Florida College of Dentistry (UFCD) is recruiting a full-time, Clinical Assistant Professor in the Division of Oral and Maxillofacial Radiology, Department of Oral and Maxillofacial Diagnostic Sciences (OMDS). The University of Florida College of Dentistry (UFCD) is one of the leading dental schools in the United States devoted to improving and promoting oral health throughout Florida, the nation and worldwide through excellence in teaching, research, patient care and service.

Candidates will be expected to fully participate in the radiology residency program, DMD teaching, clinical activities, busy radiology faculty practice and in departmental research and/or other scholarly activities. The successful candidate will also be expected to obtain an affiliate appointment in the College of Medicine’s Department of Radiology with appropriate credentialing for hospital appointment. Applicants must have a DDS, DMD or a foreign equivalent degree, with advanced Oral and Maxillofacial Radiology training, from a CODA accredited program. Applicants are expected to be Board-certified or Board-eligible through the American Board of Oral and Maxillofacial Radiology (ABOMR). Preferred qualifications include: teaching experience in both DMD and an advanced radiology education program and clinical practice experience.

The University of Florida, a member of the AAU, is the largest and most comprehensive public university in the State of Florida, with large undergraduate, graduate, and postgraduate educational programs. The UF Health Science Center and its six colleges (Dentistry, Medicine, Nursing, Pharmacy, Public Health and Health Professions, Veterinary Medicine) are co-located on the Gainesville campus, with additional teaching, research, and patient care sites in Jacksonville, Orlando, elsewhere across Florida, and internationally. Gainesville offers an unparalleled college town environment with outstanding public and private schools, affordable housing, superb year-round recruitment opportunities and a temperate climate.

Initial review of applications will begin immediately. To apply, please go to http://jobs.ufl.edu/ and search for job number 44089. Applicants should attach a curriculum vitae, a cover letter describing their interest containing a statement of academic objectives, and a contact list of three references with their application for consideration.

The University of Florida is an Equal Opportunity Institution dedicated to building a culturally diverse and inclusive faculty and staff. The selection process will be conducted in accordance with the provisions of Florida’s “Government in the Sunshine” and Public Records Laws. Search committee meetings and interviews will be open to the public, and all applications, resumes, and other documents related to the search will be available for public inspection.
