

	DEN7961L: Clinical Examination I DENXXXX: Introduction to Clinical Care.	DEN7961 will not be registered as an active course for Summer 2019.	time and therefore does not need Curriculum Committee approval at this time. The Office of Education will work with the Course Directors to prepare full syllabi for UFCD Curriculum Committee approval by May 2019 and submit to UF Curriculum Committee in August 2019.
Outcome Measures	March CDCA Summary report for Class of 2019	Dr. Sposetti reviewed the Class of 2019 CDCA (see handout). The student pass rates improved from previous years. The committee was appreciative to the faculty that assisted with student preparation on the benchtop and patient exams. This included an invited speaker review, faculty feedback in sim lab and patient screening. The committee supports these best practices continue to support student success.	The CDCA student outcomes are a part of the SACS reporting. Adjourned 6:00 PM
