Members Present: A. Delgado presiding, L. Mugayar, R. Gonzalez, N. Chung, S. Meyer, V. Sposetti, O. Luaces, O. Aklieh, M. Gibbs, M. Johnson, A. Tow, M. Natera, A. Soto

Excused: R. Caudle, C. Migliorati, G. Childs, S. Geraldeli

Unexcused: R. Patel, L. Dubnick

Agenda	Item	Presenter/Discussion	Action/Motion
Minutes	Minutes	The committee reviewed the February 21, 2019, and March 14, 2019, minutes	Motion: Approve the February 21, 2019, and March 14, 2019, minutes. Approved. Soto/Tow
Student Recommendations	Consider providing access to ECO for Alumni.	There was a student request to provide alumni access to ECO/Mediasite. This would continue their relationship with the college and serve as a resource to transition into practice. Some universities (e.g. Cornell) provide institutional access for alumni. Curriculum Committee members were supportive of this proposal while noting that UF policy requires termination of Gatorlink credentials post-graduation.	Motion: The Curriculum Committee supports the proposal to provide access to ECO for alums. Approved. Tow/Soto This proposal will forwarded to IT.
Proposals	Continuing Education Credit Proposal Elective Proposal: Digital Systems in Clinical Dentistry		Deferred to May meeting Deferred to May meeting
New Business	UF Technology Fee Proposal by HSC Library Interprofessional Clinical Care Rotation: Care One	S. Meyer reviewed the HSC library 2019 UF Technology Fee Proposal to purchase 3D anatomical visualization tools for student use. It will be a perpetual license. UF has approved the concept and requested a full proposal. Primal pictures is another 3D software dissection available 24/7 for students. This proposal will expand the current number of images and provide a perpetual license and five years of updates. Dr. Gibbs provided a summary of Care One, a primary care interdisciplinary program located in the nephrology clinic of UFHealth. The persons referred to this clinic are ED super users. Care One is a place to coordinate health care and social	Sarah will updated the Committee when UF announces the awards. Information Item at this time. Dr. Gibbs will come back to the Committee with a student rotation proposal in the near future.

	<p>ADEA Curriculum Hack-a-Thons</p> <p>Discuss Curriculum Committee time/dates for the 2019-2020 Academic year.</p> <p>Faculty Calibration Documentation Process- establish due date for committee review.</p>	<p>services for these clients in addressing their health care needs and utilization practices. UFCD is developing an affiliation to provide for client dental needs in the SOS clinic. There is also an opportunity to develop a half-day 3DN student rotation in Care One where dental students would be part of the health assessment team. This would be another distinctive opportunity for collaborative interprofessional care.</p> <p>Dr. Delgado reported that Dr. Migliorti could not attend Curriculum Committee meetings on Thursday evenings. The committee would like to have a survey sent to assess who could be available at these dates/times: Wednesday 4:30 Tuesday 5:15</p> <p>Dr. Sposetti reviewed the CODA requirement of faculty calibration in assessment of students. The college will have to display several years of documentation, as well describe the process of review. This responsibility is in Standard 2 - Education and will likely fall to the Curriculum Committee. There were suggestions to develop a planning committee and a timeframe with the Department Chairs and to develop some calibration training in Canvas.</p>	<p>Deferred to May meeting</p> <p>The Office of Education will send out this survey.</p>
Curriculum Management	Semester 7 Syllabi Review	Call for volunteers for semester syllabi review.	This workgroup will consist of Margeaux, Dr. Sposetti, Gail, Sarah Dr. Delgado, Dr. Luaces and. The OOE will propose this meeting.
Next Meeting	May 2, 2019
