Agenda	Item	Presenter/Discussion	Action/Motion
<b>Minutes</b>	Minutes	The committee reviewed the July 10, 2019	<b>Motion:</b> The August 14, 2019 Curriculum Committee Minutes. (Luaces/Caudle) <b>Approved</b>
<b>Proposals</b>	Request to approve new Introduction to Clinical Care Courses 1, 2, 3, 4.	R. Janiec reviewed the draft syllabi of the Introduction to Clinical Care Courses 1, 2, 3, 4. There was general discussion on the number of courses, hours, content and credits being requested with a compelling rationale. Speaking from the student perspective, M. Krizner felt courses with check points transitioning to clinical care is important.	Revisit the course content spreadsheets and have CD meet together.
	Request to approve 4 hours in DEN5100C: Gross Anatomy	G. Childs and Dr. Caudle summarized the request for 4 additional hours in DEN5100C that would focus on one additional neuroanatomical lecture and lab. Dr. Caudle reminded the committee that brain labs were discontinued in DEN5120:Physiology and this hour increase is a fraction of what was previously removed.	<b>Motion:</b> Approve 4 additional hours in DEN5100C: Gross Anatomy beginning in Fall 2019. (Melissa/Luaces) <b>Approved.</b>
	Request to approve Operative Course Description Changes in DEN5405C and DEN6407C.	Dr. Ribeiro reviewed the course changes in DEN5405C: Preclinical Operative Dentistry I/Biomaterials to increase student clinical decision making which they can integrate into clinical care. Course will now include Class I and II with composite and amalgam decision and hand skill development. DEN6407C: Preclinical Operative Dentistry II will focus on adhesive dentistry. The rationale for the course description changes are to align the dental materials specific to each course.	<b>Motion:</b> Approve the DEN5405C and DEN6407C changes to the course descriptions. (Caudle/Melissa) <b>Approved.</b>  Dr. Ribeiro will proceed to complete the online forms to seek UF Curriculum Committee approval.

	Request to approve revised DEN8290: Dental Externship elective courses	Dr. Sposetti reviewed rationale for dividing the existing DEN8290: Dental Externship elective courses into DEN8290: Private Practice Experience and DEN8290: Dental Extramural Externship to more closely align with the different educational experiences. The credit hours were also aligned to UF expectation.	<b>Motion:</b> Approve the two new electives. (Ribeiro/Caudle) <b>Approved.</b> The OOE will update the UFCD Elective Courses Webpage.
