Due to the ongoing concerns regarding COVID-19, and for the purpose of protecting the health of our users as well as our staff and faculty, the George A. Smathers Libraries buildings are closed until further notice.

The virtual library is 100% open and available, and library faculty and staff are here to help! We will provide the majority of our services remotely, including instruction, research consultations, reference services, and digital interlibrary loan, as well as access to all of our digital collections, including journals, books and databases.

To get help via chat, email, text or phone go to: https://cms.uflib.ufl.edu/ask [chat hours: Mon-Thurs 8a – 9p; Fri 8a – 5p; Sat and Sun 9a – 1p]
