Congrats, Dr. Gibson-

You have now been officially voted in as vice chair of the Research Committee taking over in Dr. Mugayar's departure from UFCD.

The vice chair usually takes over as chair the following year. Will you kindly accept the position for this fiscal year, 2020-2021, as our new chair of the Research Committee?  
Denise/on behalf of Dr. Jacqueline Abranches

**Subject:** 2019-2020 Research Committee - One last decision

Dear Research Committee members,

In discussions with the committee chair, Dr. Jacqueline Abranches, we decided that we need to move forward to obtain an "official" record of the decision to elect Dr. Frank Gibson as the committee's Vice Chair to replace Dr. Leda upon her departure from UFCD in March. If the committee decides to go forward with this decision, Dr. Gibson, will take over as Research Committee Chair for the fiscal year 2020-2021.

Can you please respond to this email with your vote to elect Dr. Frank Gibson as Vice Chair, as well as become the committee's Chair for the upcoming year.

I look forward to hearing from each one of you....

Denise
