		video, and then she will work with Richelle to incorporate into a refresher training product geared for release by January 2021.
<p>Old Business/New Business</p>	<p>Committee Leadership Update:</p> <p>Clinical Affairs Update:</p> <ul style="list-style-type: none"> • RED CARD/Emergency Numbers Project: Assigned to SIP: Committee leadership decided to delegate this task to the Safety & Infection Prevention Subcommittee led by Dr. Kaleel. • Case Management Concerns: It came to our attention again that there are cases in the DMD Clinic for very large prosth cases. Contradicting the case assignment from Screening and Assignment. Dr. Migliorati will be meeting with the Team Leaders to review the cases and to discuss the concerns. • Human Trafficking Course: All providers will maintain their training records and provide copies if there is an audit. • Radiograph approvals: Looks like the list is progressing toward improvement. • Mandatory COVID testing- Dr. Corsaro shared some information posted on the UFHealth website. Three groups of people that will require STP testing: 1) students in resident halls, 2) students participating in Greek life. 3) Students in face-to-face classroom interaction. Leadership is working to determine what 	<ul style="list-style-type: none"> • RED CARD/Emergency Numbers Project: Dr. Corsaro and Richelle will develop list of expectations and Dr. Corsaro will meet with Dr. Kaleel to review the task. • Case Management: Committee leadership will meet with team leaders to discuss the concerns and the QA parameters and determine together options to prevent escalation of care within the team.

Time: 12:00 PM- 1:00 PM

Location: Zoom Conference

this means for dental students. Students have asked if they are antibody positive can they be excused from testing. Testing is available on demand, all of us have access every week through One.uf. Students with classroom interaction will have a requirement of testing every other week. Question from students- will there be a location within the health science center? The answer is not in the immediate future.

IT updates:

- Minor axiUm update scheduled for 12/27/20, this will result in a small down-time on 12/27/20.

Class of 2021:

- Forms getting approved are showing up in the planners, but if you did multiple procedures on a patient, only one procedure shows up on the form.

Class of 2022:

- Student shared a concern that he was asked to do a core-buildup in the prosth clinic so he could begin on a crown, but then he would not be permitted to get the credits for a complex class 2 procedure
- Orange team is having difficulty getting tested at the Phillips Center
- Will students need to be tested the week they come back, or before they come back
- Dr. Corsaro reminded Class of 2022 and 2021 to make sure they indicate with they are doing a Non-AGP on their planned appointments.

Class of 2023:

- BP cuffs/Stethoscopes will be dispensed with a pre-clinical exercise during the treatment planning course this Spring

- We will share with Dr. Gibbs.
- Ask student to contact Dr. Delgado.
- Nicole will share with the students the ability to make the appointment after 4:30 when the parking restrictions for orange spaces have been lifted.
- Richelle will contact dean's office about the return to clinic in January.
