Not Present: S. Meyer

Excused:

Agenda	Item	Presenter/Discussion	Action/Motion
Minutes	Minutes	The committee reviewed the January 13, 2021 minutes.	Motion: January 13, 2021 minutes approved with correction. (Krizner/Caudle) Approved.
Proposals	<p>Elective Course: DEN8290: NBDE Part 2 Review</p> <p>DEN6015: Professionalism and Practice Management</p>	<p>Rationale: This course proposal was submitted to the UF Board of Governors (BOG) delivered by Dean Garcia regarding a slight downward trend in students not passing NBDE 2 on first attempt. This elective would be offered one time in Spring 2021. Students at risk of failing would be prioritized.</p> <p>Students member feedback included support for making the mock NDBE Part 2 optional and offering to the class for equal access. Additionally, increase the number of questions each exam assignment and remove the 75% pass rate.</p> <p>Consider revising the Mock INBDE assignment such that students who do not pass (75 or above) must retake until they pass. Students could be issued an "I" grade if not passed by grading deadline. This would also need to approved by Dr. Haddock with support of the OAA.</p>	<p>Motion: Approve DEN8290: NBDE Part 2 Review with suggested edits and broadening availability for any students in the class to enroll. (Graham/Caudle) Approved.</p> <p>The OOA will send a poll to the Class of 2022 to determine interest to enroll.</p> <p>As a next step the OAA will schedule a Mock INBDE feedback exam meeting with Course Directors with the Class of 2024. Additionally a meeting with Kaplan is scheduled for February 4th to determine next steps for Class of 2023 resources.</p>
Student Recommendations			

Old Business	Update on Grade Scale Discussion	The College of Medicine (COM) faculty participating in the January 11, 2021 meeting supported 72 as minimum passing grade in the COD.	Next step: Finalize collection of grading scales from other dental programs.
