	<ul style="list-style-type: none"> • TED funds: Currently there is no timetable from the state regarding disbursement or amount of future funding. The current protocol for pursuing TED funds is to first ask the D4 associate if they have remaining funds to apply. If yes, fill out application as normal and submit to Craig Kirkbride. If no, the D3 associate is to submit an application to Craig to apply for excess funds. Points of contact for TED fund related questions are Craig Kirkbride (primary) or Dr. Migliorati (secondary) only. <p>IT updates:</p> <ul style="list-style-type: none"> • Next major update to axiUm is December 2021 • Summer is normally a time of high work load on our IT support due to potential course revisions, please keep this in mind when sending help tickets or major project requests <p>Class of 2021:</p> <ul style="list-style-type: none"> • Concern from a 4DN regarding difficulty locating an available faculty with approval authority to sign off on an AT-clinic form. <p>Class of 2022:</p> <ul style="list-style-type: none"> • Requested an update on allowing the use of ultrasonic instrumentation in clinics. • Expressed 3DN student shared difficulty with 8:00 AM appointments, citing faculty and patient frequently late and this negatively affects the students working time in our current model/schedule. • Now that there is no Orange/Blue faculty division, 	<p>21 Representative referred to RDS/Dr. Howard to share concern.</p> <p>No change regarding ultrasonics- Status quo</p> <p>22 Representative encouraged to share this observation with the division chief or department chair where the lack of calibration is occurring.</p> <p>23 Representative encouraged to speak to the academic dean, Dr. Pereira.</p>
