Curriculum Management			Information Item  Information Item  Action Item-Approve in concept (Conditionally Approve).  Action Item

		<ul style="list-style-type: none"> <li>• <a href="#">Semester 2 Debriefing summary</a></li> <li>• Fall 2021 Syllabi will be integrated into AEFIS/Canvas. Now that UF dataflow to AFEIS has been updated and most Course Directors have completed syllabi updates, the OAA will proceed to enter Fall syllabi into AEFIS. Faculty and students will access from Canvas.</li> <li>• Professionalism - The Professionalism workgroup met on 5/25/21. The workgroup discussed the integration of DEN6015 in Semester 2 in DEN5221: Oral Health Management and Psychosocial Issues in the Lifespan. Module 1 focuses on Oral Health Management, module 7 focuses on patient-provider communication, module 8 on Biases and Sterotypes, Module 10 on Cultural Competency in Communication, Module 11 on Communicating Sensitive Topics and Module 13 on Communication with Special Populations. Dr. Bartley is the Course Director and Dr. Luaces would be the Co-Course Director.</li> <li>• DMD Grade Scale - Dr. Pereira and Dr. Ribeiro conducted a Zoom meeting with Department Chairs 6/17/21. Those not in attendance received a recording of the meeting. A follow up survey was sent to the Chairs to vote on a failing grade scale for their department. The results of this survey- XXXX. The purpose of a program level grade scale assists the college in creating a learning analytics pathway and standardizes actions by the SPEC and other agencies. After Curriculum Committee review/approval this will be shared with the FAB and placed on the agenda for the next Faculty Assembly. Pending all approvals, the meeting date would likely be Spring 2022.</li> </ul>	
Outcome Measures			
Next Meeting		<p>August 11, 2021</p> <p>Workgroup Updates: INDBE Integration and Domains of Dentistry integration in the curriculum.</p>
