

Department of Restorative Dental Sciences
Division of Operative Dentistry
Clinical Assistant/Associate Professor
Position #00011243

The University of Florida College of Dentistry is seeking applications for a full-time clinical track faculty position in the Department of Restorative Dental Sciences, Division of Operative Dentistry at the Assistant/Associate Professor rank. The University of Florida College of Dentistry (UFCD) is one of the leading dental schools in the United States devoted to improving and promoting oral health throughout Florida, the nation and worldwide through excellence in teaching, research, patient care and service.

Responsibilities include didactic, preclinical and clinical instruction in operative dentistry to the DMD program and graduate programs, including serving as a course director, participation in intramural faculty practice, excellence in academic pursuits and service, and include opportunities for participation in the development of departmental research and/or other scholarly activities. Minimum requirements include a DDS, DMD, or equivalent dental degree. Preferred qualifications include: post-graduate training in operative dentistry from a CODA accredited institution, teaching experience that has prepared the candidate to be a course director in operative dentistry, and clinical practice experience. Applicants should possess the skills and knowledge to provide clinical coverage in all aspects of general dentistry. As well as being a strong clinician, applicant should be organized, open minded, dedicated to teaching students according to the guidelines set by the department, proficient with technology and the use of electronic health records, abreast of current evidence-based dentistry and possess excellent communication skills. Salary and rank are commensurate with credentials and experience.

UFCD currently ranks among the top-five U.S. dental schools in terms of NIH research funding. The University of Florida (UF), a member of the AAU, is the largest and most comprehensive public university in the state of Florida, with large undergraduate, graduate, and postgraduate educational programs. UF currently ranks 8th among the nation's top-10 public universities. The UF Health Science Center and its six colleges (Dentistry, Medicine, Nursing, Pharmacy, Public Health and Health Professions, Veterinary Medicine) are co-located on the Gainesville campus, with additional teaching, research, and patient care sites throughout Florida, and beyond.

The University of Florida is an Equal Opportunity Employer dedicated to building a broadly diverse and inclusive faculty and staff. The University of Florida invites all qualified applicants to apply. The University of Florida is a public institution and subject to all requirements under Florida Sunshine and Public Records laws.

Initial review of applications will begin immediately and will continue until an applicant pool is identified. To apply, please go to <http://jobs.ufl.edu/> and search for job number 522212. Applicants

should attach a curriculum vitae, a cover letter describing their interest containing a statement of academic objectives, and a contact list of three references with their application for consideration.
