

Responsibilities

- The UF College of Dentistry is recruiting a full-time, non-tenure track faculty position in the Department of Pediatric Dentistry at the Assistant Professor rank.
- Responsibilities include clinical and didactic teaching of dental students and pediatric dental residents.
- The candidate will also participate in research/scholarly activity and intramural clinical practice.

Minimum Qualifications

- DDS, DMD, or equivalent dental degree.
- Completion of a CODA-accredited advanced training program in pediatric dentistry with board certification/board eligible status with the American Board of Pediatric Dentistry.

Preferred Qualifications

- Previous teaching experience is preferred.
- Prior treatment of patients under sedation and general anesthesia.
- Involvement in research & scholarly activities.

The **UF College of Dentistry** is one of the leading dental schools in the U.S. and is devoted to improving and promoting oral health through excellence in teaching, research, patient care and service.

The college has ranked in the top 10 among U.S. dental schools in NIH research funding since 2000, and currently ranks No. 5 overall and 3rd among publics.

The **University of Florida** is the largest and most comprehensive public university in Florida. The UF Academic Health Center and its six colleges are co-located on the Gainesville campus, with additional sites across Florida and internationally.

UF is committed to non-discrimination with respect to race, creed, color, religion, age, disability, sex, sexual orientation, gender identity and expression, marital status, national origin, political opinions or affiliations, genetic information and veteran status in all aspects of employment including recruitment, hiring, promotions, transfers, discipline, terminations, wage and salary administration, benefits, and training.

The review of applications will begin immediately and will continue until an applicant pool is identified.

How to Apply

Please visit jobs.ufl.edu and search for job #523045. Applicants should attach curriculum vitae, cover letter describing their interest in the position, a statement of present and future research interests, and a list of three references with their application for consideration.
