About Calogero Dolce

Dr. Calogero Dolce is a Professor and Chair in the Department of Orthodontics. He is also the Director of Faculty practice. Dr. Dolce completed his DDS and Ph.D. at SUNY-Buffalo and a certificate in orthodontics at the University of Florida. He is a Diplomate of the American Board of Orthodontics. His research interests are in the biology of tooth movement and the treatment of class II malocclusion. Dr. Dolce has published more than 50 articles related to orthodontics and serves as a reviewer for various journals including the Journal of Dental Research, the American Journal of Orthodontics and Dentofacial Orthopedics and Angle Orthodontics. Dr. Dolce is involved in teaching orthodontic residents and is part of intramural faculty practice.
