

Department of Community Dentistry and Behavioral Science  
Hialeah Dental Center AEGD Program  
Clinical Assistant/Associate Professor  
Position Number 00001632

The University of Florida College of Dentistry is recruiting a full time, non-tenure accruing Clinical Assistant/Associate Professor in the department of Community Dentistry and Behavioral Science, Hialeah Dental Center AEGD program in Hialeah, Florida. The University of Florida College of Dentistry (UFCD) is one of the leading dental schools in the United States devoted to improving and promoting oral health throughout Florida, the nation and worldwide through excellence in teaching, research, patient care and service.

The Clinical Assistant/Associate Professor and Team Leader for the Hialeah Dental Center will be responsible for both clinical and administrative oversight of 12 first or second year foreign trained dentists in a CODA accredited AEGD program. This position will be hired at 0.8 FTE. Salary and rank are commensurate with credentials and experience. Qualified applicants must be comfortable supervising all disciplines of restorative dentistry including operative, fixed and removable prosthodontics and periodontics. It will be expected that team leader meet regularly with their team for the purpose of patient care management, seminar teaching, case presentation and pertinent business. In addition, team leaders will be expected to monitor:

- Individual student clinical progress toward competency and graduation, as well as assuming the timely treatment of each patient and their needs.
- Team quality assurance to ensure that accurate chart notes and billings, post-treatment patient interviews, clinical evaluations, and patient recalls occur.
- Screening and treatment planning of new patients.
- Team clinical production and assist in containing costs and running an efficient, effective clinic.

Applicants must have a DDS, DMD or a foreign equivalent degree and advanced training in general dentistry (AEGD or GPR). Preferred qualifications include: previous teaching experience at post graduate level, three or more years of private practice experience, experience with digital dentistry, knowledge of CEREC and experience in the field of TMD.

UFCD currently ranks among the top-five U.S. dental schools in terms of NIH research funding. The University of Florida (UF), a member of the AAU, is the largest and most comprehensive public university in the state of Florida, with large undergraduate, graduate, and postgraduate educational programs. The UF Health Science Center and its six colleges (Dentistry, Medicine, Nursing, Pharmacy, Public Health and Health Professions, Veterinary Medicine) are co-located on the Gainesville campus, with additional teaching, research, and patient care sites throughout Florida, and beyond.

The University of Florida is an Equal Opportunity Employer dedicated to building a broadly diverse and inclusive faculty and staff. The University of Florida invites all qualified applicants to apply. The University of Florida is a public institution and subject to all requirements under Florida Sunshine and Public Records laws.

Initial review of applications will begin immediately and will continue until an applicant pool is identified. To apply, please go to <https://jobs.ufl.edu> and search for requisition number 524354. Applicants should attach a curriculum vitae, a cover letter describing their interest in the position, and a list of three references with their application for consideration.
