

Supporting Students

Counseling

Dr. Patricia Probert is a licensed mental health counselor with experience in crisis, anxiety, relationship counseling and more. She offers students, residents, faculty, and staff a safe space to address concerns.

Wellness

With programming focused on emotional and physical wellbeing and resources like our serenity room and self-care cabinet, we offer dedicated resources to help set students up for success.

Resources

We work to connect students, faculty, and staff with UF and community resources so all Gators can access needed support.

Events

From DMD student orientation to the Professional Coating Ceremony and Commencement, SAI coordinates milestone events as well as events to celebrate our UFCD family.

Advocacy

SAI helps students learn to advocate for themselves and works with faculty and staff to develop productive solutions for challenges. We can act as mediators to resolve conflicts between students, and between faculty/staff and students.

Concerned about a student?

- 📍 If you have an immediate concern, submit a report at umatter.ufl.edu
- 📍 Call or email Dr. Patricia Probert

Tutoring & Disability Accommodations

- We facilitate academic support through a peer tutoring and mentoring program.
- We partner with the Disability Resource Center to assist students with academic accommodations.
- We work with faculty to help remove barriers to learning and promote an inclusive environment.

Our Team

The SAI office is dedicated to supporting students and residents on their journey to become excellent practitioners.
