research training programs

**DMD/PhD**  
dual degree program

**5**  
UF-owned dental centers across Florida

**11**  
affiliated dental centers across Florida

## UF STATEWIDE NETWORK FOR COMMUNITY ORAL HEALTH

The UF College of Dentistry — one of six colleges at UF Health — is dedicated to high-quality programs of education, research, patient care and public service.

Through the UF Statewide Network for Community Oral Health, the college provides affordable, high-quality dental care for a large number of low-income adults and children in Florida. The network includes five college-owned centers and 11 affiliated centers located throughout the state.

### UF-Owned Dental Centers

Gainesville  
Hialeah  
St. Petersburg/Seminole  
Naples  
Wildlight/Yulee

### Affiliated Dental Centers

DMD students and residents complete dental rotations in affiliated centers; almost all patients live at or below 200% of federal poverty levels.

## UNIVERSITY of FLORIDA COLLEGE of DENTISTRY 2023 ANNUAL REPORT

### EDUCATION

### RESEARCH

### PATIENT CARE

# EDUCATION

**503**  
STUDENTS &  
RESIDENTS

**51**  
YEARS IN ORAL  
HEALTH EDUCATION

During the 2022 admissions cycle we received **1,696 applications for 93 DMD positions** and **1,360 applications for 65 advanced education positions**.

In October 2023, for the ninth consecutive year, UFCD received the Higher Education Excellence in Diversity Award, or HEED Award, for outstanding commitment to diversity and inclusion. UFCD is one of only two UF colleges to ever receive the award.

The college offers advanced education programs in endodontics, operative and esthetic dentistry, oral and maxillofacial pathology, oral and maxillofacial radiology, oral and maxillofacial surgery, orthodontics, pediatric dentistry, periodontology and prosthodontics.

The Comprehensive Training Program in Oral Biology (T90/R90) builds on **31 years of successful training of basic/clinical scientists**.

# RESEARCH

**\$13.9**  
MILLION IN  
RESEARCH  
FUNDING

**#6**  
IN NIH  
FUNDING

**Ranked in the Top 10 for federal research funding to dental institutions every year since 2000.**

Our oral biology department is one of the top-ranked in the U.S. Last year, the college received \$13.9 million in contracts and grants, with 90% from the National Institutes of Health. The oral biology faculty includes national leaders in oral infectious diseases and immunology research.

# PATIENT CARE

**136,148**  
PATIENT VISITS TO UF  
DENTAL CENTERS

**16**  
CENTERS IN THE UF STATEWIDE  
NETWORK FOR COMMUNITY  
ORAL HEALTH

Annual patient satisfaction surveys show our patients value the services they receive: 92 percent of patients rated overall quality of care as "excellent" or "very good."

*Our centers provide a complete range of general and specialty oral health care for adults and children with the latest technologies in a professional learning environment.*

Our providers deliver affordable, high-quality dental care for thousands of low-income adults and children in Florida in **five college-owned centers and 11 affiliated centers** throughout the state. Together our faculty, staff, residents and students at these dental centers provide care for people **from all 67 counties in Florida**.
