### Local Dentist Named President of the Florida Dental Association

MILTON, Fla. (July 3, 2024)– The Florida Dental Association (FDA) is proud to announce Dr. Jeffrey Ottley, of Milton, was sworn in as the 2024-2025 president of the Florida Dental Association.

Dr. Ottley has held leadership positions in organized dentistry at the local, state and national levels. He has served as president of the Escambia-Santa Rosa County Dental Association and on the FDA Leadership Development Committee and Governmental Action Committee. He has served on the FDA Board of Trustees since 2012 and currently serves as a delegate to the American Dental Association. Dr. Ottley volunteers on the board for Florida Donated Dental Services and is a Deputy Regent for Florida in the International College of Dentists. He also volunteers his time and service at the FDA Foundation's *Florida Mission of Mercy*, a no-cost dental clinic hosted each year in different Florida cities.

“Dr. Ottley is an exemplary leader who is dedicated to advancing the dental profession and oral health of Floridians, and we look forward to his leadership in this role,” said Drew Eason, executive director and CEO of the FDA.

A second-generation dentist, Dr. Ottley has been practicing dentistry in Milton for more than 20 years. He earned his undergraduate degree from the University of Florida (UF) and Doctor of Dental Medicine degree from the UF College of Dental Medicine.

#### **About the Florida Dental Association**

*As the state's premier professional organization representing Florida-licensed dentists, the Florida Dental Association (FDA) serves as Florida's advocate for oral health. A constituent society of the American Dental Association, the FDA was established in 1884 to ensure patients receive the highest quality of care from dental professionals. The FDA is the leading expert and advocate on issues affecting Florida dentists and the oral health of Floridians. To learn more, visit [www.floridadental.org](http://www.floridadental.org).*
