

UF Health Dental Centers Locations in Florida

In addition to St. Petersburg, we have centers in four Florida cities serving patients from throughout the state.

UF Health Dentistry — Gainesville **352-273-5801**

Our Gainesville dental centers provide general dental care and specialty care in endodontics, esthetics, oral & maxillofacial surgery, orthodontics, pediatric care, prosthodontics and periodontics. Patients have the option of being seen by students under faculty supervision, residents or UF dental faculty.

Hialeah Dental Center **305-694-5400**

Dental residents provide a complete range of dental and oral health services for adults and children under faculty supervision.

NCEF Pediatric Dental Center, Naples **239-920-4523**

The center offers complete dental care for children, including routine and sedation services, and a special sensory room to care for children with autism-related sensory challenges. Dental care is provided by pediatric dental residents under faculty supervision.

UF Health Dentistry—Wildlight (Yulee) **904-427-8587**

Faculty provide comprehensive oral health care for your entire family including adults and children. Flexible and convenient payment options are available at all our dental centers.
