es verle sonreír!**

UF College of Dentistry NCEF Pediatric Dental Center

All your child's oral health care needs delivered in one location, including those with special needs.

- ▶ Routine Dental Exams, cleanings, x-rays, fluoride treatment.
 - ▶ Dental restorations and extractions as well as dental sealants.
 - ▶ Sedation services including oral, intravenous and hospital sedations in the operating room.
 - ▶ Limited orthodontics.
 - ▶ Specialized sensory room to help desensitize intellectually disabled children.
-
- ▶ We accept Medicaid plans and Healthy Kids plan and self-pay services.
 - ▶ Fees are generally 80% of standard pediatric dental offices.
 - ▶ Emergency walk-in and same day appointments available when our schedule permits.

UF College of Dentistry

Our residents have completed dental school and are furthering their education in a two-year pediatric dentistry residency training program. In our center, pediatric dental residents provide care using state-of-the-art equipment and technology with oversight from expert UF faculty.

UF Facultad de Odontología

Nuestros residentes han completado sus estudios de odontología y están ampliando su educación en un programa de capacitación de residencia en odontología pediátrica de dos años. En nuestro centro, los residentes de odontología pediátrica brindan atención utilizando equipos y tecnología de última generación con la supervisión de profesores expertos de la UF.
